

Table 1: Critical Assets Identification Matrix

| Critical Infrastructure Facility | People | Information | Processes | Equipment |
|--|--|--|--|--------------------|
| Banking and Finance Central Bank | Data managers, finance and fund managers | Banking data to include accounts, investments, international monetary responsibility | Processes that provide for transmittal of data, as listed in previous column | Computer equipment |
| Chemical Sector Manufacturing, storage, transportation, and warehousing facilities | | | | |
| Commercial Facilities Shopping malls, sports arenas, and entertainment venues | | | | |
| Communications Emergency Services Radio Tower | | | | |

| Critical Infrastructure Facility | People | Information | Processes | Equipment |
|---|---------------|--------------------|------------------|------------------|
| Critical Manufacturing Vaccine Manufacturer | | | | |
| Dams Hydroelectric Dam | | | | |
| Defense Industrial Base Aircraft and ground military manufacturing plants | | | | |
| Emergency Services Hospitals, urgent care, and emergency transport vehicles | | | | |
| Energy Oil Refinery | | | | |

| Critical Infrastructure Facility | People | Information | Processes | Equipment |
|--|--------|-------------|-----------|-----------|
| Food and Agriculture Farms and ranches | | | | |
| Government Facilities and National Monuments or Icons Ministry of Interior | | | | |
| Health Care and Public Health Facilities National Hospital | | | | |
| Information Technology Sector Data centers possessed by every sector | | | | |
| Nuclear Reactors, Materials, and Waste Nuclear power plants and radioactive storage facilities | | | | |

| Critical Infrastructure Facility | People | Information | Processes | Equipment |
|---|---------------|--------------------|------------------|------------------|
| Transportation, Postal, and Shipping Systems Subway | | | | |
| Water Fresh Water Tank | | | | |
