

**HANDOUT 9.1: IED COMPONENTS ACTIVITY**

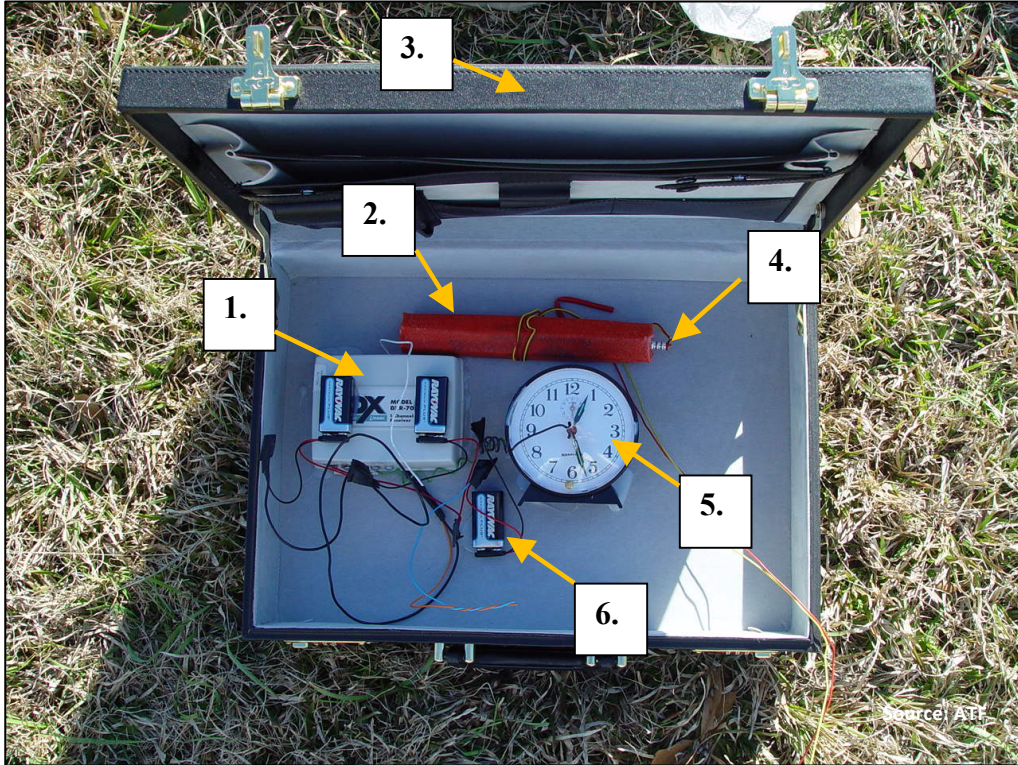

<b>Purpose:</b>	To identify the components of an IED
<b>Duration:</b>	10 minutes (5-exercise; 5-debrief)
<b>Group composition:</b>	Table groups
<b>Debrief:</b>	Large-group discussion

**Directions:**

1. Work with your group to identify the numbered components that appear in Figure 1: Improvised Explosive Device Components.
2. Using the list of components above Figure 1, write the name of the component next to its corresponding number in the table beneath Figure 1.
3. Be prepared to share your answers with the class.

- Arming switch
- Container
- Initiator
- Main charge
- Power source for the detonator
- Remote control receiver
